V. Allotment of Different Categories and Preparing of Rank list

5.1 Allotment Categories

(a) 35% of seats will be filled by management from among the applications received by the BCF CON Management on the basis of merit list prepared based on the marks obtained in the qualifying examination in the core subjects as mentioned in the eligibility criteria.

(b) 15% of seats will be filled from among the applications received from NRI students fulfilling the eligibility criteria on the basis of merit list prepared based on the marks obtained in the qualifying examination in the core subjects as mentioned in the eligibility criteria as also fulfilling the eligibility norms of NRI quota notified by the State Govt.

5.2 Preparation of Rank list

(a) Rank List : For allotment to BScN : Rank List will be prepared on the basis of marks obtained by candidates for Physics, Chemistry, Biology put together at the final year of the qualifying examination.

Procedure for normalization: The marks scored by the candidates in each subject in the Qualifying Examination conducted by various Boards will be made comparable with the marks obtained by the students in the same subjects in the qualifying examination conducted by the Directorate of Higher Secondary Examination, Kerala.

Let 'X' be the maximum mark secured out of 100 for a subject in the state Higher Secondary Board and 'Y' the maximum mark secured out of 100 for the same subject in any other stream

AISSCE/ISC/VHSE.

If 'T' is the mark secured out of 100 for the subject by a student of the other board (CBSE/ICSE/VHSE) in the year, then his/her normalized mark of the subject, say 'Z' equals $(T \times X)/Y$ (the value to be corrected to four decimal places.)

Illustration

Subject: Chemistry Year: 2026

Max. Mark out of 100 secured in the State Board = 100 Max.

Mark out of 100 secured in the ISC = 99

The normalized mark of an ISC student who secured 85 out of 100 in Chemistry will be equal to $(85 \times 100)/99 = 85.8586$.

In the case of students whose qualifying examination is Higher Secondary Examination conducted by the Directorate of Higher Secondary Education, Kerala, the actual marks obtained will be considered for ranking.

VI. Selection of Allotment Process

6.1 The open merit and NRI rank lists of all applicants will be prepared and published on the website, www.bcfcollegeofnursing.com on the basis of the total percentage of marks obtained in the core subjects of the qualifying examination. The open merit rank list for BScN will be prepared on the basis of the percentage of marks obtained in Physics, Chemistry, Biology in the qualifying examination.

The marks obtained for the qualifying exam will be subject to normalization process as explained below.

This process will be done taking into consideration the marks of those candidates who apply pursuant to this prospectus only.

The marks obtained by the students in the relevant subjects in the qualifying examination conducted by various boards or authority shall be equated with the marks obtained by the students in the same subjects in the qualifying Examination conducted by the Director of HSE, Kerala, by adopting the method of normalization.

6.2 Community Quota:

The selection of candidates by managements of minority community will be based on the specific directive of Honorable Supreme Court. All right of claim for eligibility relaxation or community claim shall be sustained with the required documents at the time of admission.
